Hi Amanda!
Tony will be back
in a few minutes.

Dad, we'll be
up there.

Come, I'll show
you something.

A fan sent me a swimsuit.
It's beautiful!

It's perfect, you'll see! I loved it!

I can't wait to see it.

This looks... wonderful.

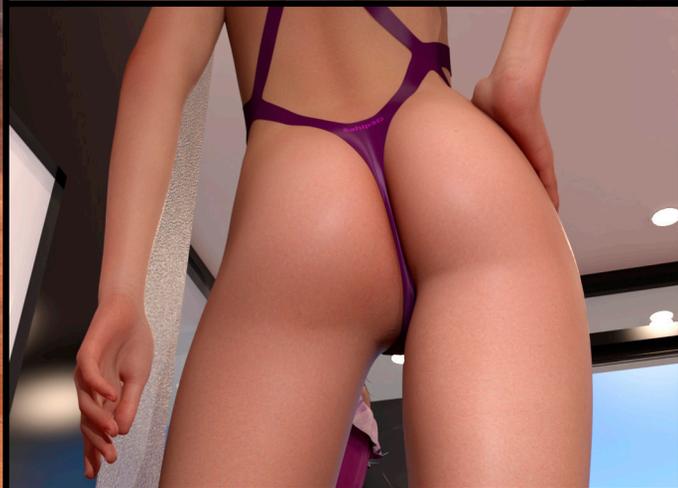

Did you like Junior?

Do you name your dildos?

It's because I have one exactly the same, but bigger.

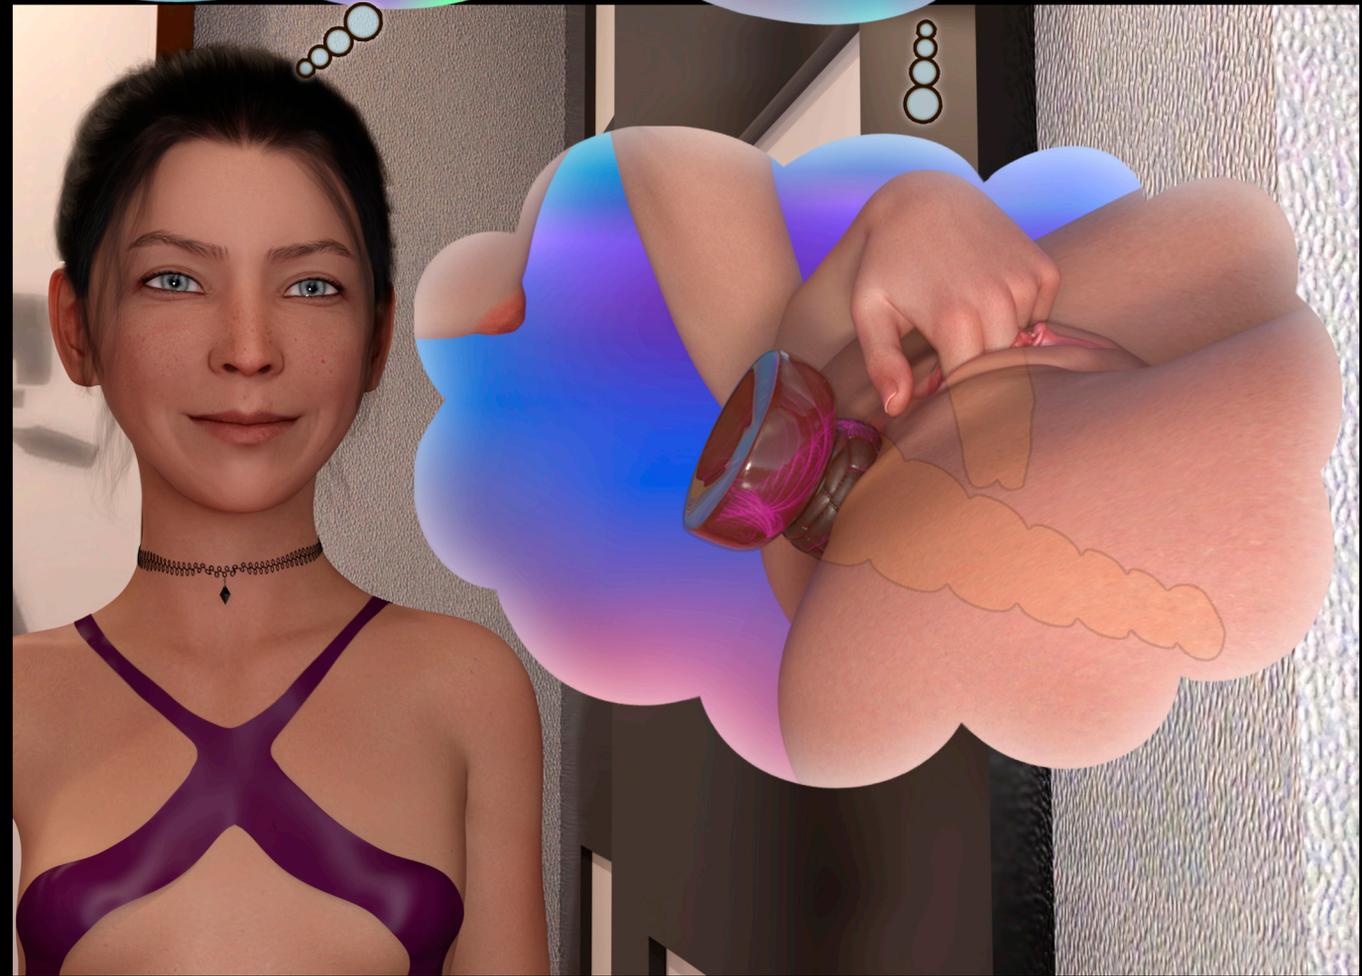

Her holding this dildo is turning me on.

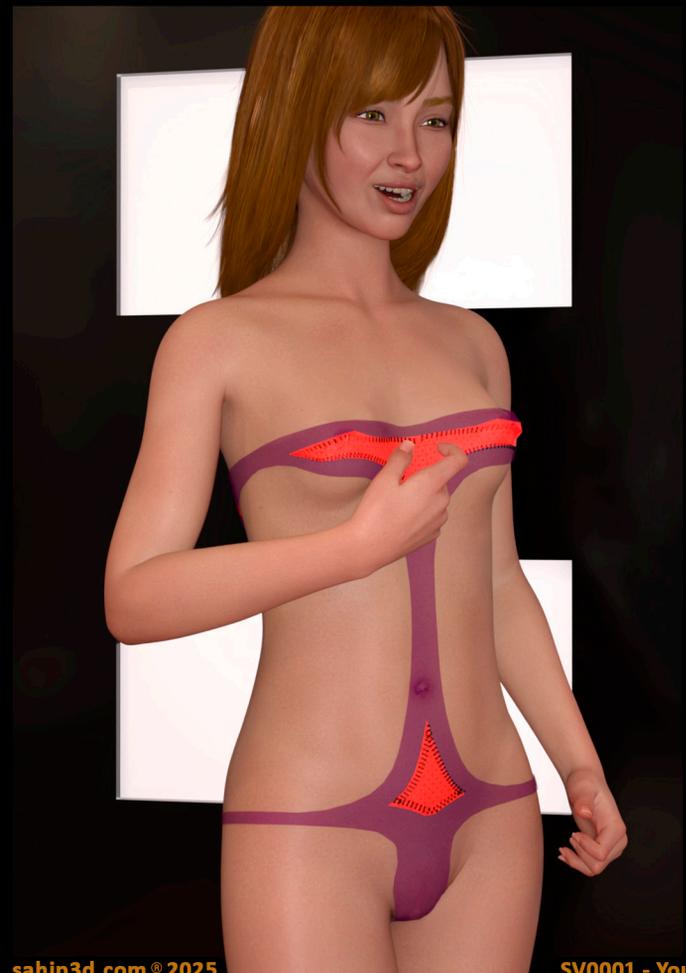

Oh my God, Amanda! The swimsuit is beautiful, but isn't it too small?

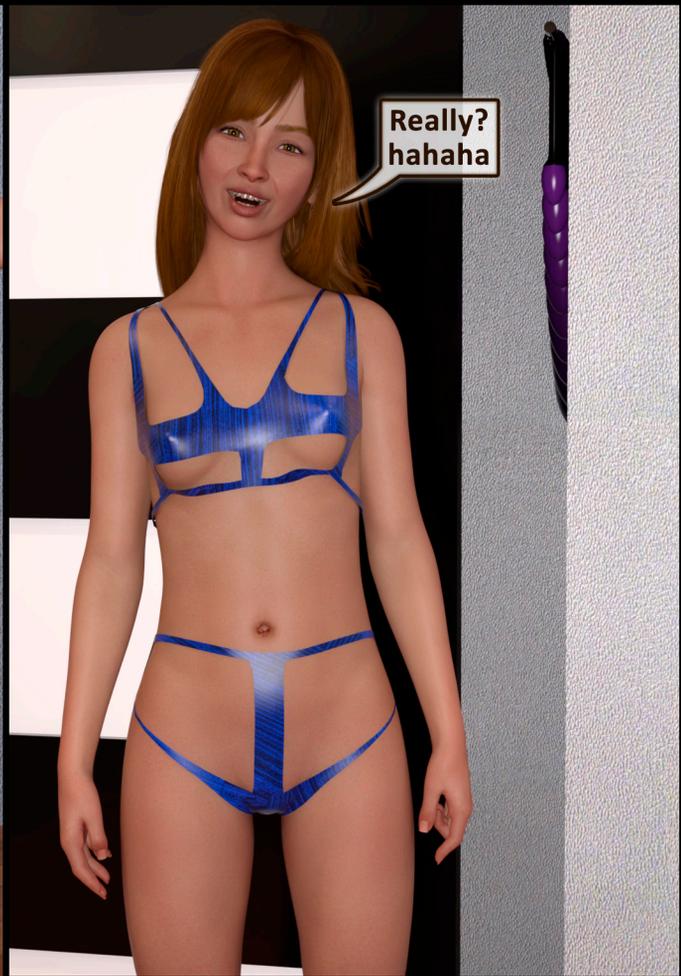

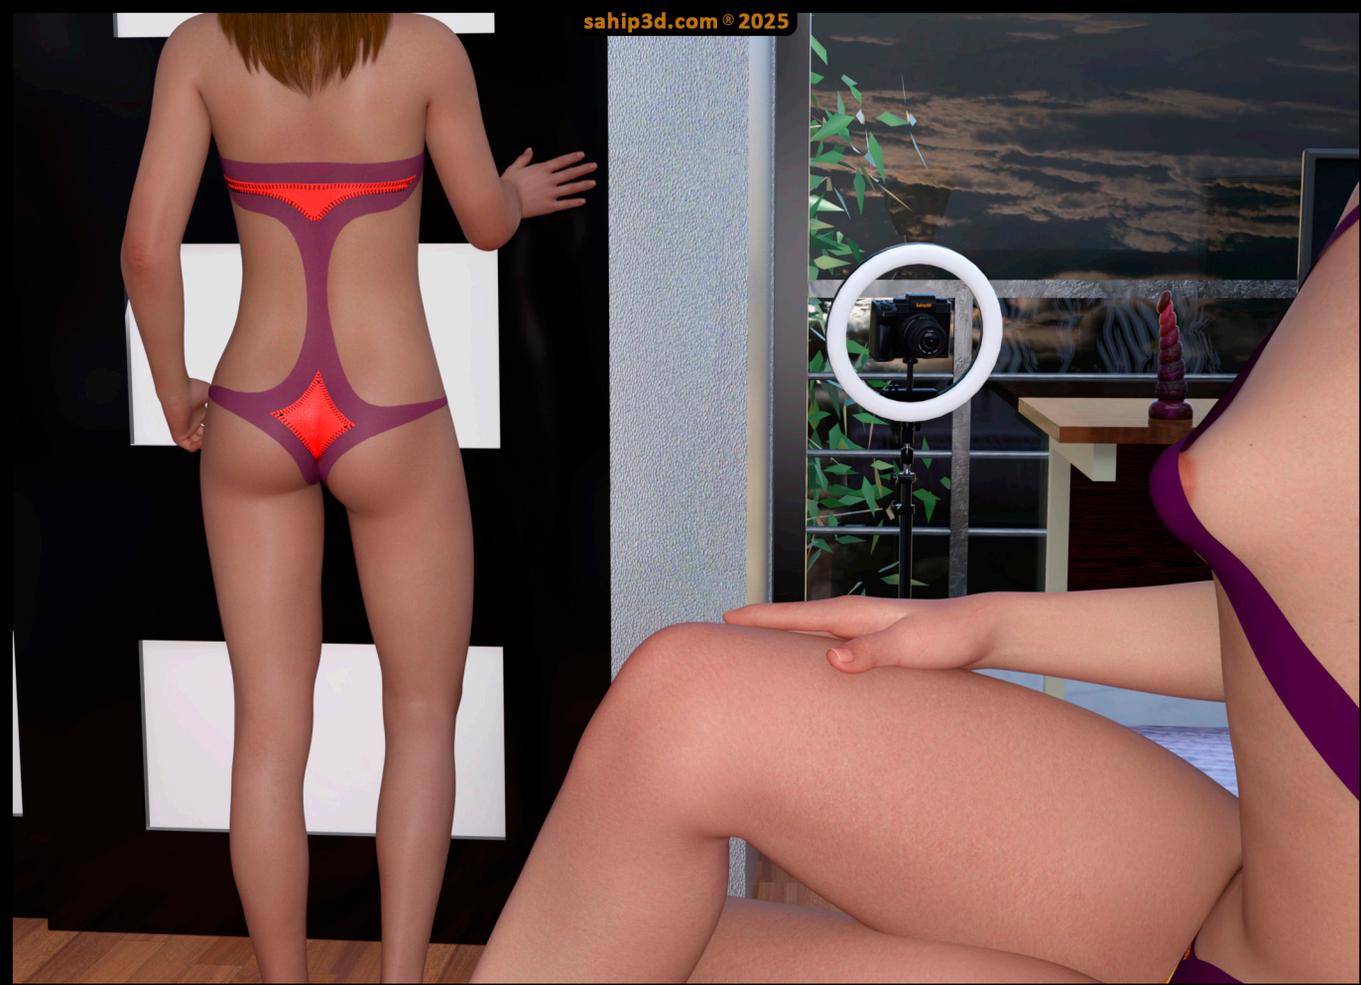

And do you have a bigger dildo than this one? This one is already big.

Laura, sorry, but this swimsuit looks really weird on me lol

I liked it, but try the blue one, it will be perfect!

You know what I think?
You should try Junior now,
and my tongue.

OMG, Laura! I'm your
brother's girlfriend. And...
and... I don't know...
you're my friend.

You know how I am,
and "I don't know"
is better than "no" lol

Just relax

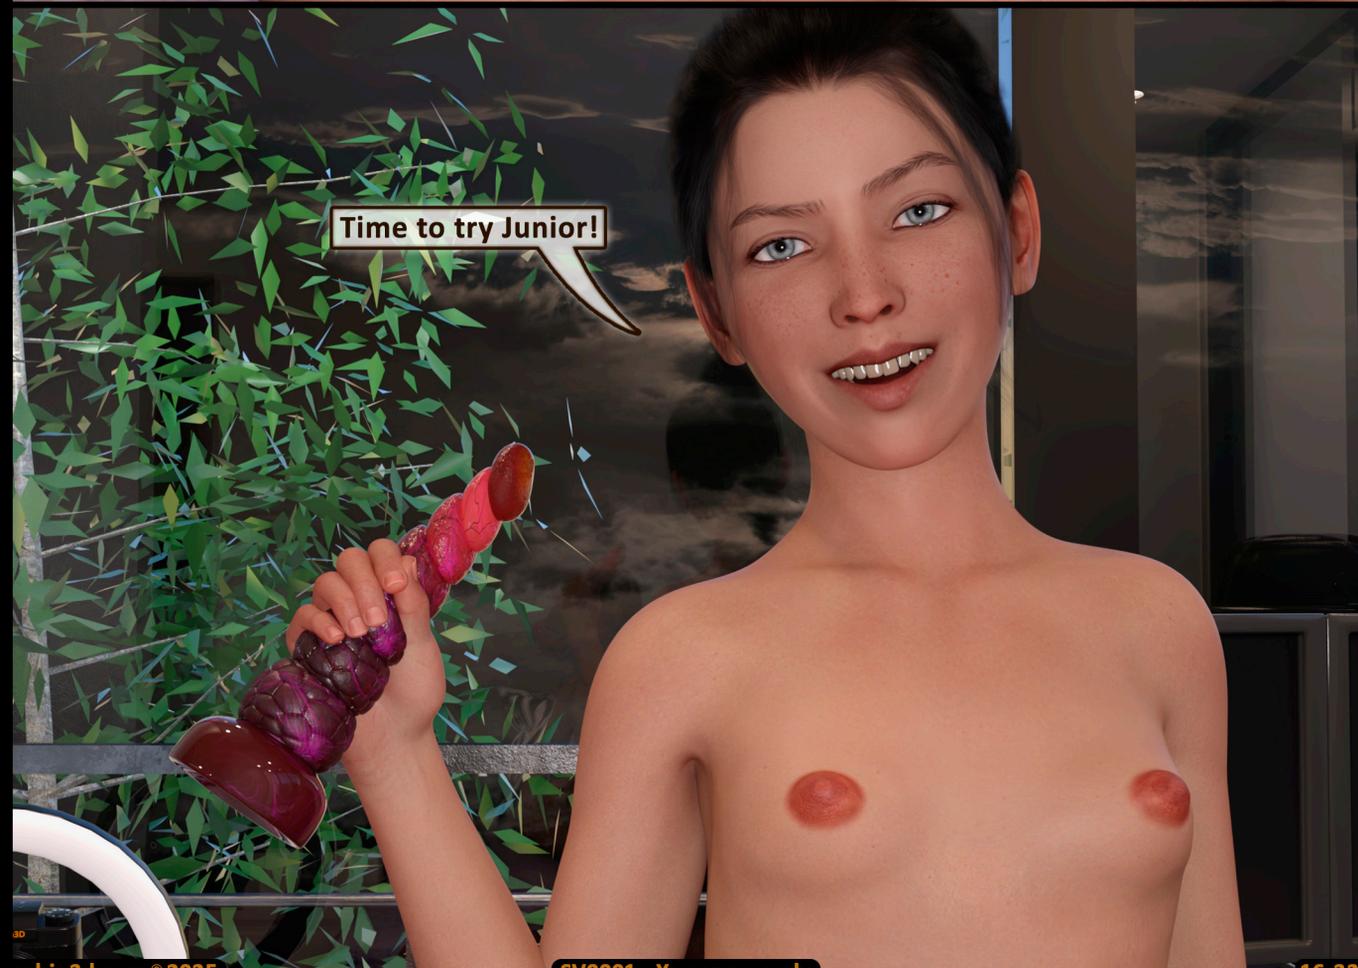

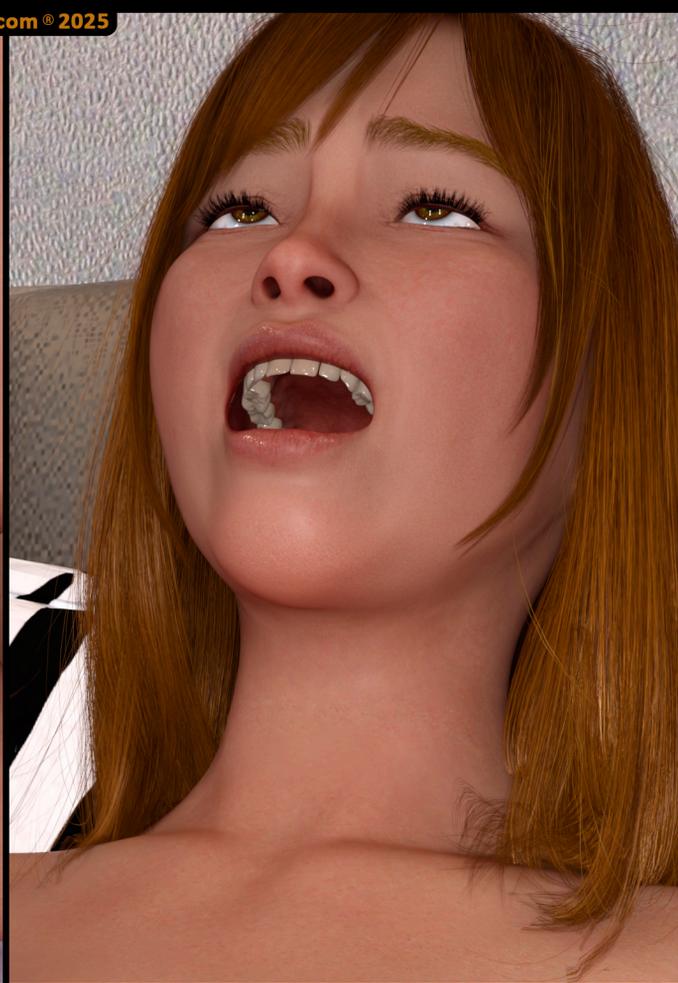

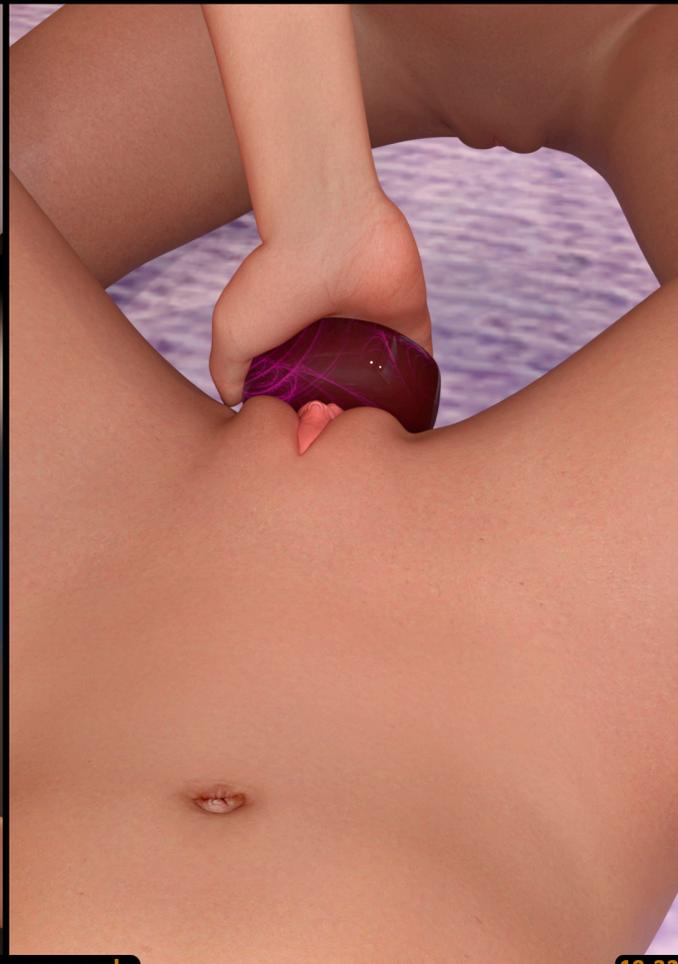

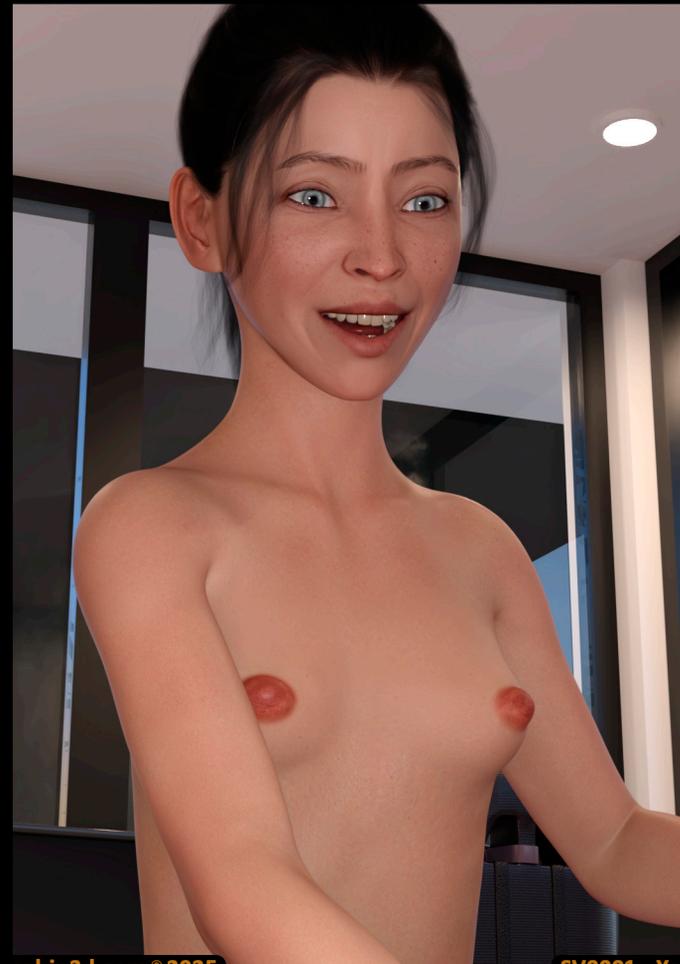

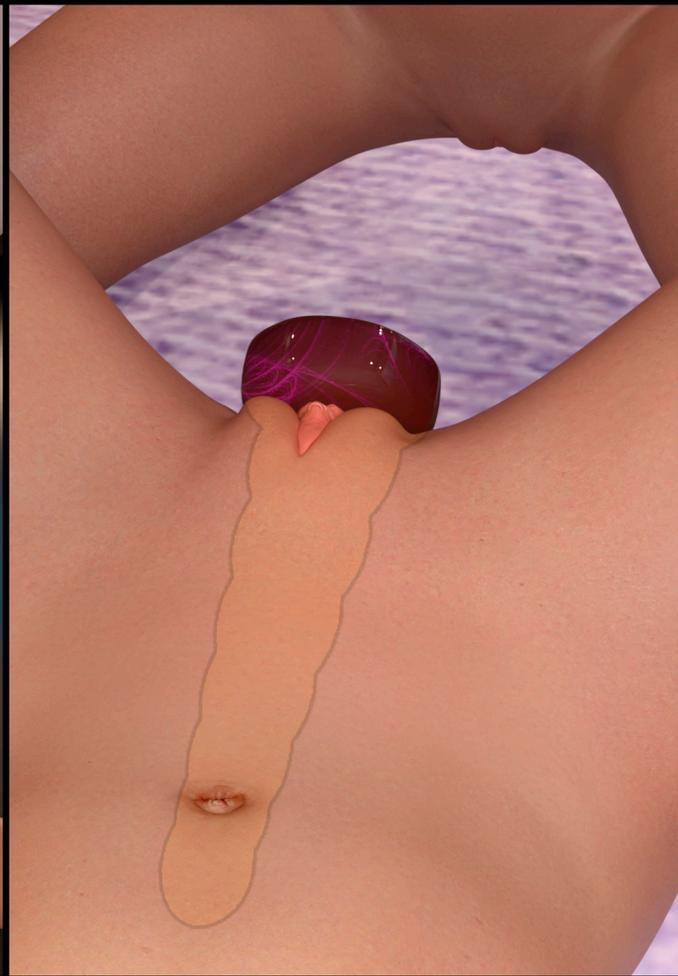

Let's find out how much you can handle?

Ok, but put it in slowly, I think I can't take much. It seems too big for me.

Oh my god! Why didn't we do this before? I've already cum twice in less than 10 minutes!

Do you think it's over?

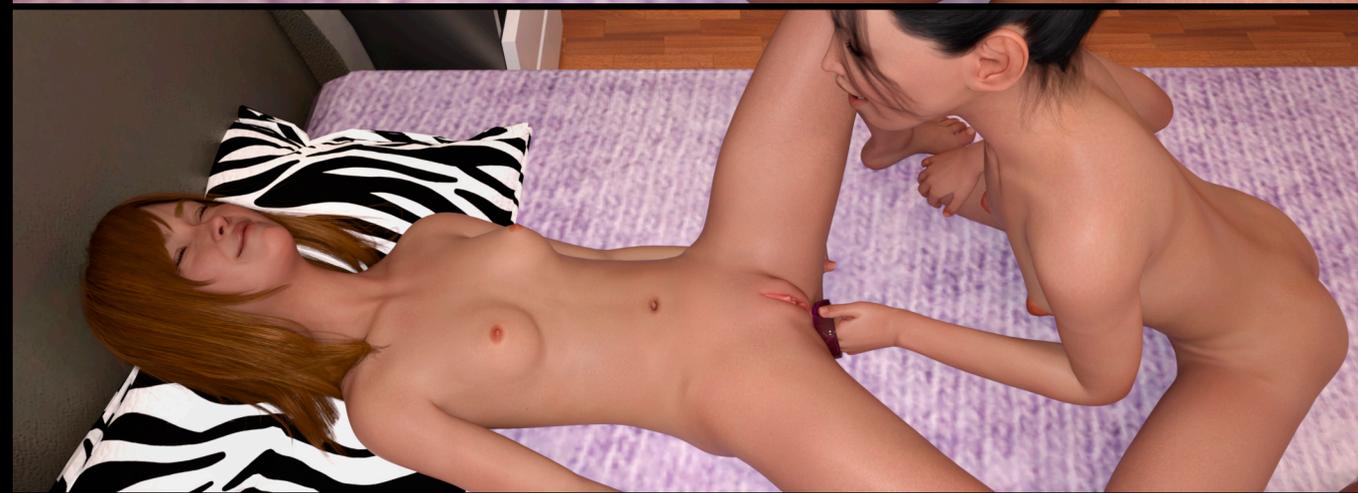

Wait! Wait! Wait!
Are you putting it in my ass?!

Don't worry, I'm sure
you can handle it. I had
3 fingers in your ass and
you cummed like crazy.

Wow! 3 fingers?!
I didn't even
realize I thought
there was 1.

Okay, but
go slowly.

Where are you going?

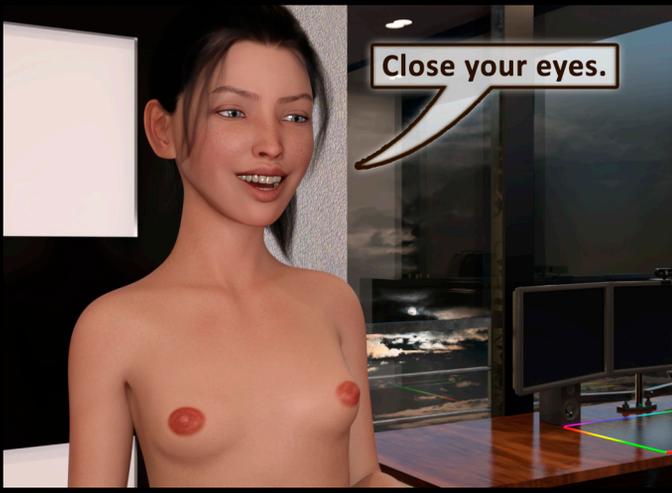

I'm just picking up something. Relax, you'll like it.

What did she go get?

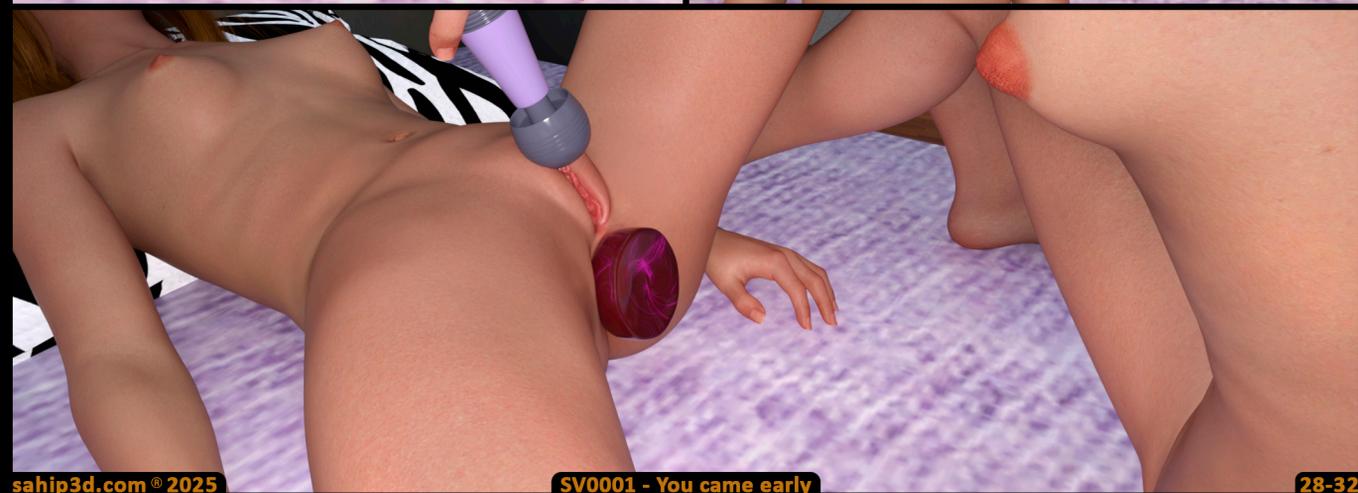

And I wait with this thing in my ass?

Close your eyes.

A little scared.

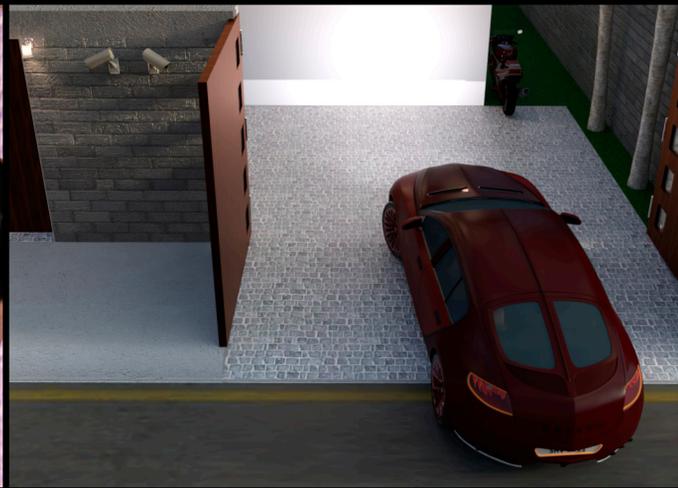

Yay!

HOLY SHIT! I'M CUMMING AGAIN!!!

Amanda has already arrived.
She's upstairs with Laura.

Amanda? Laura?

Just a moment, we're trying on clothes.

Ok, I'll be waiting downstairs.

How many fingers did you put?

Fingers? You underestimate your talent a lot. hahaha

Mr. Pirate, I need to tell this to someone. It will be you.

I just stuck my whole hand in my brother's girlfriend's pussy, and I loved it!

I'm sure I heard moaning.

Were they... No, I don't think so.

But if they were having sex, i should feel betrayed, but I think I'm horny.

Why am I having a hard-on thinking about my sister's moaning? This is wrong!

It's so wrong, but it was such a nice little moan.

Suck your brother's cock, Laura.

I've always wanted to suck my brother's cock.

You will fuck both of us, but you will cum inside me.

I want your cum in my pussy!

Don't cum yet, honey. Remember that your sister wants you to cum inside her.

That's right. I want a lot of cum dripping from my pussy.

I'm cumming, sis!

Yay! Fill my pussy with cum!

Honey, did you hear what I said?

Sorry, I got distracted by the road.
