Amanda arrives early at her boyfriend's house and has her first lesbian experience with his sister.

Tony and I are going to the cinema, but I think I'm early

Tony is coming, he went to pick up my mother at the mall. Come in.

Hi Mr. Eden!

Sahipville News

Hi Amanda!
Tony will be back
in a few minutes.

Dad, we'll be
up there.

Come, I'll show
you something.

A fan sent me a swimsuit.
It's beautiful!

It's perfect, you'll see! I loved it!

I can't wait to see it.

This looks... wonderful.

Did you like Junior?

Do you name your dildos?

It's because I have one exactly the same, but bigger.

Her holding this dildo is turning me on.

Oh my God, Amanda! The swimsuit is beautiful, but isn't it too small?

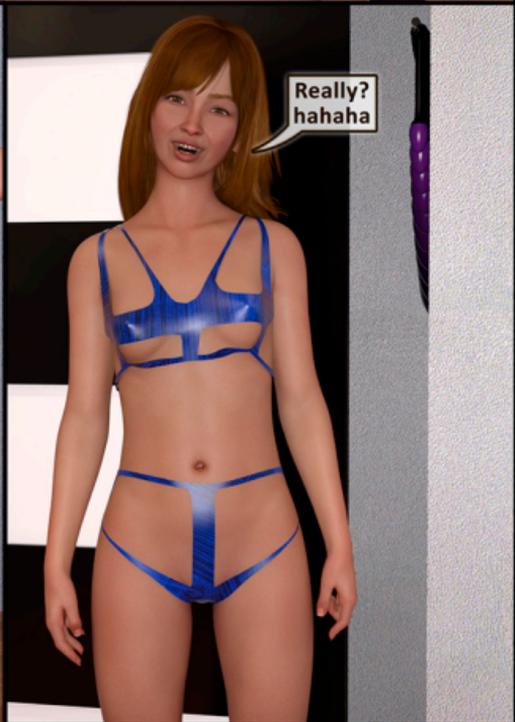

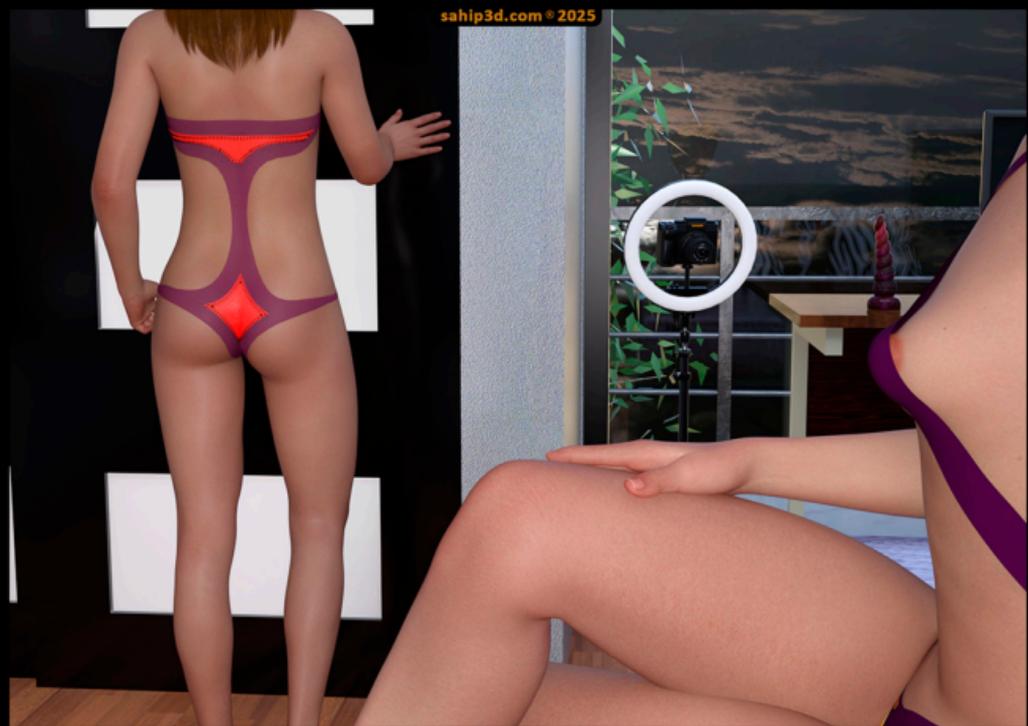

And do you have a bigger dildo than this one? This one is already big.

Laura, sorry, but this swimsuit looks really weird on me lol

I liked it, but try the blue one, it will be perfect!

It's my first time.

First time, first time?

Oh no! lol First time with another girl.

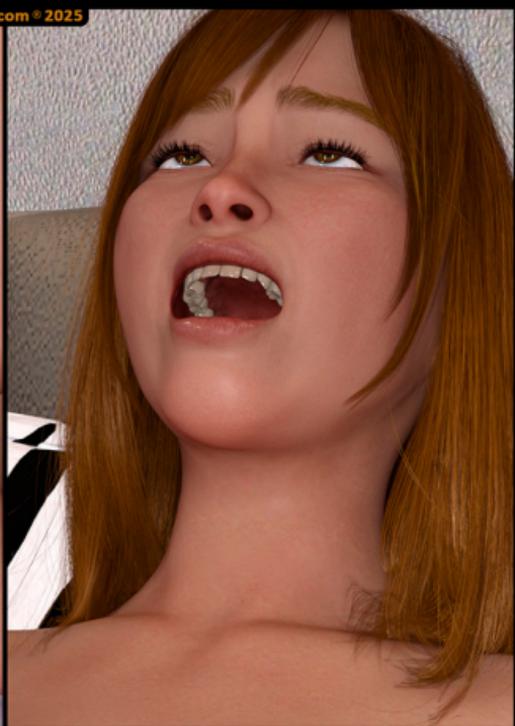

I'm really horny.

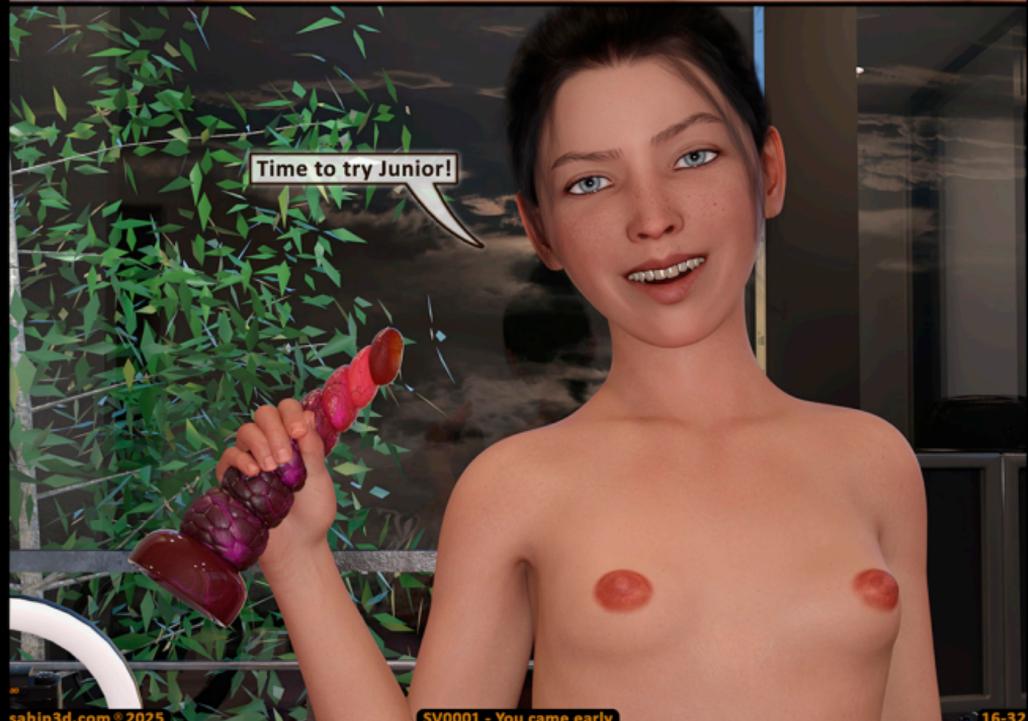

Do you know what happens now?

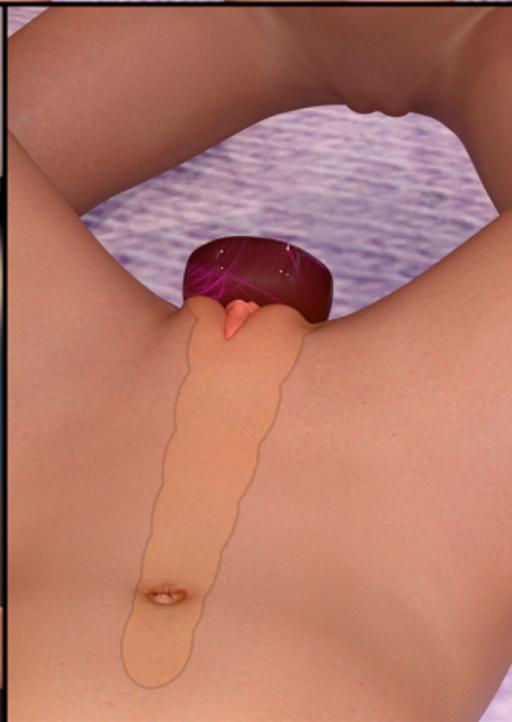

Time to try Junior!

Let's find out how much you can handle?

Ok, but put it in slowly, I think I can't take much. It seems too big for me.

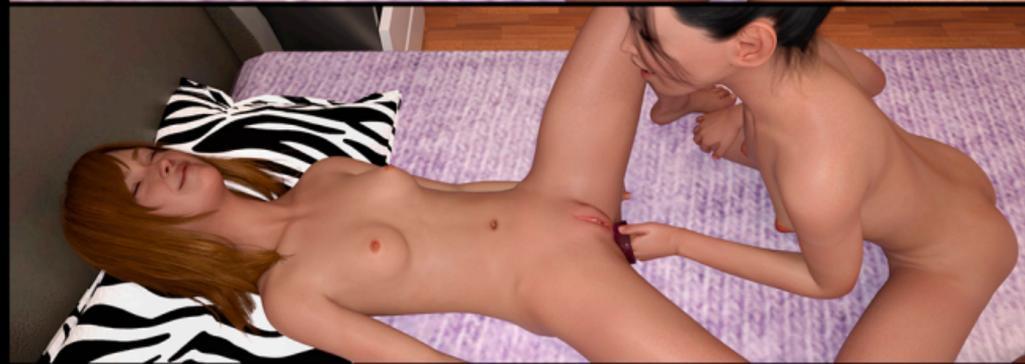

Wait! Wait! Wait!
Are you putting it in my ass?!

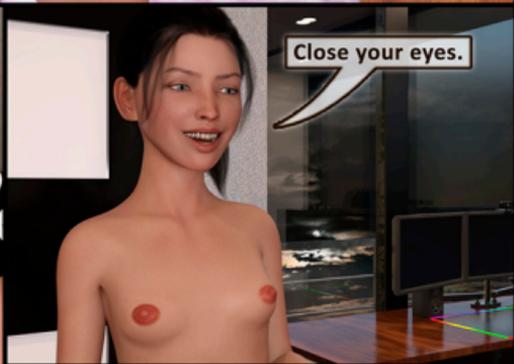

Don't worry, I'm sure
you can handle it. I had
3 fingers in your ass and
you cummed like crazy.

Wow! 3 fingers?!
I didn't even
realize I thought
there was 1.

Okay, but
go slowly.

Yay!

HOLY SHIT! I'M CUMMING AGAIN!!!

Amanda? Laura?

Just a moment, we're trying on clothes.

Ok, I'll be waiting downstairs.

How many fingers did you put?

Fingers? You underestimate your talent a lot. hahaha

Mr. Pirate, I need to tell this to someone. It will be you.

I just stuck my whole hand in my brother's girlfriend's pussy, and I loved it!

I'm sure I heard moaning.

Were they... No, I don't think so.

But if they were having sex, i should feel betrayed, but I think I'm horny.

Why am I having a hard-on thinking about my sister's moaning? This is wrong!

It's so wrong, but it was such a nice little moan.

Suck your brother's cock, Laura.

I've always wanted to suck my brother's cock.

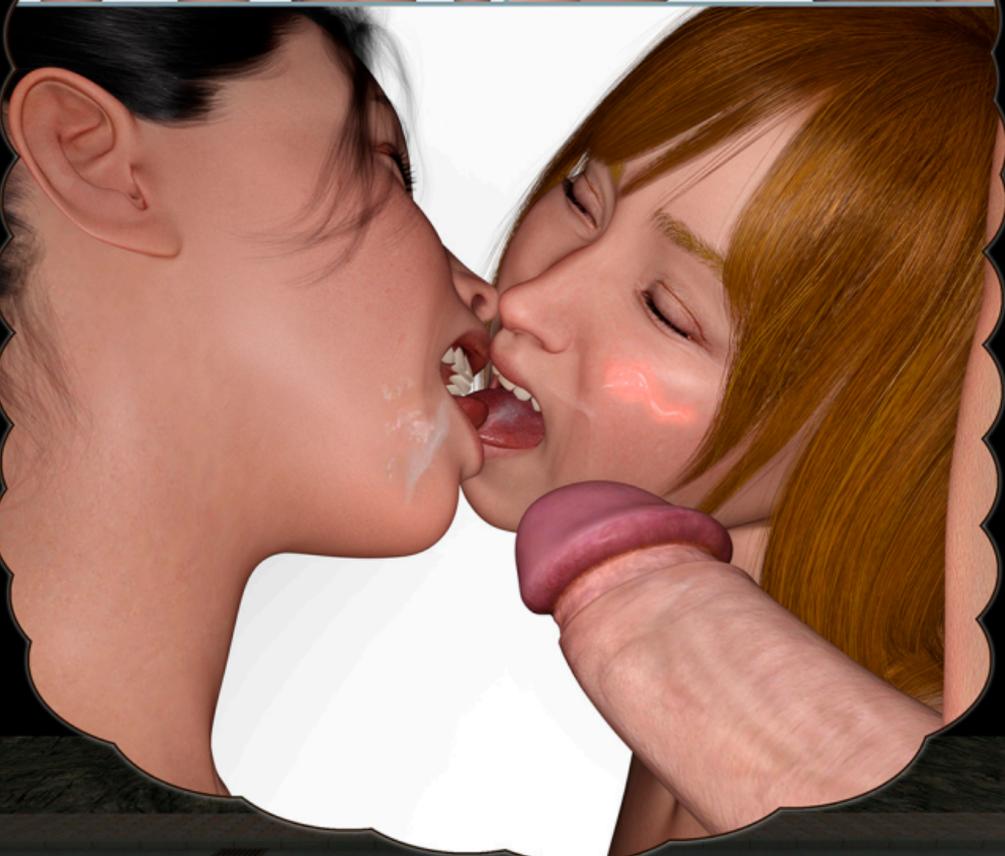

You will fuck both of us, but you will cum inside me.

I want your cum in my pussy!

Don't cum yet, honey.
Remember that your sister
wants you to cum inside her.

That's right. I want
a lot of cum dripping
from my pussy.

I'm cumming, sis!

Yay!
Fill my pussy with cum!

Honey, did you hear what I said?

Sorry, I got distracted by the road.
